## **REACH Compliance Statement**

**the Registration, Evaluation, Authorization and Restriction of Chemicals**

This statement clarifies Beam Communication's compliance with European Union Regulation (EC) 1907 /2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

To the best of our knowledge, as well of that of our suppliers that the Iridium GO! (model: 9560N) product does not contain any materials on the current Candidate List (<https://echa.europa.eu/web/guest/candidate-list-table>) of Substances of Very High Concern for authorisation in a concentration equal or above the 0.1% limit.
